PUBLIC NOTICE
ON 2020 TAX ASSESSMENTS

The Dodge County Annual Notice of Tax Assessments was mailed June 30, 2020 to each person that owns property in Dodge County. If you own property in Dodge County and have not received an assessment notice, please contact the Assessor's office at 478-374-8122.

The assessment notice is NOT a Bill but a statement of value on your property. At the bottom of the statement is an estimated ad valorem tax based on the 2019 millage rate.

If you do not agree with the value on your property you may file an appeal. Appeals may be filed by Email or USPS or using our Drop Box for delivery.

Also, this year we have added an Appeal Module to our QPublic website that enables you to file your appeal online. On the Appeal Module there is a tutorial that will guide you through filing your appeal should you have questions or need assistance. We have also posted the 2020 values on the website to enable you to complete your comparison search.

The Tax Assessors office has been open, but continues to remain CLOSED to the public due to the recent increase in COVID19 cases. We are in the process of completing safety measures that will enable us to open our doors again. Once completed, an announcement will be made via the local newspaper and our website.

In the meantime, if you need assistance or need to come to the office, please call and let us know you are in the parking lot and someone will come out and assist you.

Thank you for your patience as we try to work together during this pandemic.
