IMPORTANT NOTICE

Pursuant to Florida Statute 197.192 the property appraiser's office will not split or combine parcels until all taxes due or delinquent have been paid to the Tax Collector. It should also be noted that a parcel split / combination by the Property Appraiser is for taxation purposes only and does not imply legality of the land division being requested, the legality for such parcel to be conveyed via land title, nor the suitability for such parcel to be developed.

PLEASE NOTE: The Splitting of Parcels May Increase Your Property Assessment, Possibly Resulting in Higher Taxes.

HOMESTEAD PROPERTIES CURRENTLY AFFECTED BY AMENDMENT 10, SAVE OUR HOMES:

The land division (split) of a homestead property will result in the removal of the Save Our Homes 3% assessment limitation (cap) from the newly created (split-out) parcel. The new (split-out) parcel will be assessed at market value generally resulting in an increase in taxable value. If at a future date the property owner desires to re-combine the property, the new (split-out) parcel will be combined back with the homestead parcel at its current market value. The Save Our Homes cap will not be restored to its former level.

NON-HOMESTEAD PROPERTIES AFFECTED BY AMENDMENT 1, ASSESSMENT LIMITATION:

Per Florida Statute 193.1554(7) and 193.1555(7) the land division (split) or combination of non-homestead property will result in the removal of the 10% assessment limitation (cap) and the assessment of the parcel(s) at full market value in the following tax year.
