

To Our Valued MCPA Customers,

To minimize current health risks to both our customers and team members, my office is following the Center for Disease Control's social distancing recommendations and closing public walk-in services to all three offices until further notice. **Beginning Friday, March 20, 2020 at 8:00 am, ALL MCPA offices will be closed for walk-in services.**

We will continue to perform our statutory duties and serve the public via our online services and phones during normal business hours and encourage all customers to conduct business with us electronically. For example, you can search for properties using our website at www.mcpafl.org.

If you need a property card or other documents, we can easily email or mail them to you. If you need to submit documents to us, you can send them by email, fax or regular mail. Questions and documents can be sent to PAO@mcpafl.org. We will promptly assist you with any of your inquiries.

We apologize for any inconvenience but value the health and well-being of our MCPA family and yours. Please join us and the rest of our global community in taking the necessary precautions to help ensure our return to normalcy in as reasonable a time frame as possible.

Please feel free to contact us online at www.mcpafl.org or via phone at (305) 292-3420 (Key West), (305) 289-2550 (Marathon), (305) 852-7130 (Plantation Key).

Thank you for your understanding and cooperation, and stay healthy.
