PROPERTY TAX RETURNS Property tax returns must be filed with the Hart County Board of Tax Assessors between January 1 and April 1 of each year. The taxpayer may elect not to file a property tax return if there have been no changes that would affect the value of their property from the previous year. Failure to file a new return when there have been improvements made to the property will subject the taxpayer to a 10% penalty on the value of the property not returned plus interest and possibly penalties from the date the tax would have been due.
