Revision March 2019

I hereby attest to the accuracy of the information contained on this application. I further certify that, in my professional opinion, the facility line as installed, the drawings, plans and specifications therefore comply in all respects with the requirements of said permit set forth in the Garfield County Road Crossing / Line Installation rule book. The owner, firm, or company of the line further acknowledges and takes full responsibility for adhering to the guidance set forth and any adverse effects caused by the placement of lines in the County Easement.

In Re: Notification Letter from Permit Applicant and abutting Landowners for Temporary Easement in the Right-of-Way

This letter serves as notice that the permit applicant listed above has made efforts to identify, contact, and form an agreement with the abutting landowner(s) affected by the granting of the temporary easement, for pipelines, in the Right-of-Way within Garfield County. (In accordance with 1982 OK AG 1)

The requesting party, in no way holds the County liable for any part of the private agreement between themselves and the abutting landowner(s).

The abutting landowner(s), in no way hold the County liable for any part of the private agreement between themselves and the permit applicant.

Identified Route of Temporary line (with legal descriptions):

Signature of Applicant

Date

Abutting Landowner(s) information on next page. Additional pages may be attached.

If verbal permission is given by a land owner and is so noted in this permit and an issue arises with abutting landowner permissions; verbal permissions may no longer be accepted for the requesting company.
